EIGEUSYSCOM

He changed his whole life for his busty bride—and her girlfriend!

I'CHINN BY PALLIN WORTH

I've been a sailer since I was old
enough to walk I grew up on the
North Alantic, and berned everyfung.

I knew about seafaring from my parents, who had the same set of uptinging. We were a family of fishermen,
charter capturin, detcheade, and the
like. My love affair with the sea has
never disreported me.

I cody wish I could say the same about Lorentine.

Long story short: I was working a few jobs in Mairs for the summer. She was on vacation, doing some hiding on the cost. She was born and raised in Arizman's high desert and the sea was a whole new experience for the IE was an unswessenbly but summer. Manne, as fish and facking like rightists or purite. She was a statutal blorder with no ten. Itins and high, recurd decible Ds. Td always been in breast man, but she was my first augmented superience and I usuaged in the loss of gravity, and my cock still stirs when I think about he may be supported to the statut of th

old. The bapay top was campuflage. the swells. She whispened in my ear.

usings) contains rate seeing in the state, with her, and we spent many days and sum one out from behind the clouds my small shift, gettings that exhibits, and we maked havelif for turning. As Severas contains the blade with not tail. Severas contains the blade with not tail. Severas the state of the blade with not tail. It is a small shift with the state of the blade with not tail. The blade with the blade with the blade with the blade with the same fill the several according to the blade with the blade wit the blade with the blade with the blade with the blade with the

spray, she pulled her glasses down and removed har top, exposing her magnifticest, massive cells to the sun. I pulled hard to sturboard, looking for a place to drop anchor. Manwhila, I Lorraine, still topless, stalked astern and wrapped her body around me,

"I want to squash your big dick between my tits," she purred "I want to watch you fuck them and come on my face

"I want you to squeeze them hard while you do me from behind." Lairnest shot a load over the wheel.

At last. I fied us up on one of the lobster flort's flowing moormes and had her in my arms. She kissed me hard, tongue searching, then dropped to her know and swallowed my role in one poin. I watched in owe as she worked me in and out of her mouth. I was close to the edge, and I wanted her pussy. I just had to watch those tittles bounce

Lawing her back atom the roof of the hoat's colors. I peeled off the briking bottorns and exposed her natural blonds bush. It was glorious, showcasing pearly slick inner hips begging me to taste. She sproud her legs, and I spred her honey hole. Choros, choros, they

I bent and bursed my lips, sucking and slurging her tweet noisily, tonguing

Rising to my feet, I braced my hands on in to the hilt. She morned like an arrimal, graspeng her breasts and tweeking. her nipples while her delicious passa

squested and kneeded my night red erroring the year as she brought each engaged mammary to her mouth to lick those diamond-hard number. They

were like pale strawberries, erect and north and Louden's must allowing my tongue to dance with hers over each of them while she numed At last, right on the edge of orgases, I

pulled out my cock and buttered her besists with it. The pace from her poonbetween the firm melons, the tin teosine her levely lips on each drive Then. she psyched me out and pushed her mouth forward, catching the purple head in her maw and forcing her too much, and instead of letting me

from there. I christened my boet the to Arizona-a resort area on a lake. We got married and life was good

I took a job making sails for rich weekend yachters and moneyed settrees with a penchant for doubleand triple-masted face. And she after a string of jobs with minimal pay and maximum stress, storted dancing at the

local gentlemen's club south. Leniov watching busty broads nde the pole as much as the pest surbut I didn't like sharing her with the tourists Or the locals. It's heed to error a beer with your buddies when your wife is fleshing her massy, in horses of

I still loved her. We were working on our sesses. But at that time, I was living on a friend's houseboat in exchange for maintenance and working from its gen-
